Tell us, and our girls, what you want more and less of!

TOP OF THE SHOP!

There's a load of magazines up there on that top-shelf. When I first started buying pornos I just used to grab one really quickly, pay for it and get out of there. Sometimes I ended up with some complete rubbish, but there you go, I'm sure every purchaser of adult material has been through a similar experience!

Anyway, a couple of years ago I saw this fit blonde bird with big boobs looking down at me from the top-shelf (she looked a bit like the gorgeous Lucille from Vol. 23 Issue 5) so I took a punt, and on leaving the shop I saw I'd bought a '*MensWorld*'. I was so happy with my purchase and the fact that the magazine seemed to feature so many girls that were bang on my type – pretty face, great boobs, lots of smiles – that I decided to stick with it for good, and here I am now, still very happy that I've found a title that I can rely on.

Anyway, thanks for being so reliable on such a crowded top-shelf, and as a favour for my praise please could you feature Lucille in the magazine again?
Pete, Hemel Hempstead

We've got similar stories of our first porno purchases, Pete – avoiding the female staff in the shop was always important to us! As for more of Lucille, we might have something coming up for you very soon!

KILTY PARTY?

I see you're putting on another 'Britain's Got Totty' evening for the readers of *MensWorld* magazine – and, indeed, the rest of the Paul Raymond titles – at one of those fancy Gentlemen's venues in Central London. It's a great idea, and I'm really impressed that you're offering free entry, but what about devoted *MensWorld* fans who live in Scotland like me?! I suppose I could get a train or a plane to London and stay overnight, but it all gets pretty expensive and times are tough at the minute. Are there any plans to put on a BGT night in Glasgow, Edinburgh or even Manchester?

I see Syren Sexton is appearing at the bash in London – another reason I'd love to go! – but as I'm not going to be able to make it down to see her please could you run either a spread of her or another favourite blonde of mine, Kagney Linn-Karter, who I thought looked fantastic in MensWorld 23-4. And don't forget to spare a thought for us Jocks the next time you plan a party – we're a lot more fun up here than those bloody Southern softies!
Dougie, Kilwinning

Well Dougie, if we get enough feedback asking for a BGT event in Scotland then we'll put one on – it's as simple as that. Thanks very much for your letter, we are actually really sorry that you can't make it to our London party, so as a sort of consolation here's a shot of Kagney Linn-Karter. Hope it kind of makes up for the disappointment!

ISIS, I SAY!

I've noticed recently that you've started running the girls over more pages in *MensWorld*, and for me it really works, especially when you do it with a girl like Isis (Volume 23 Issue 5). A stunning Latina with plump boobs and a really sultry look, to be honest I think you could've run her over 20 pages and no-one would've complained.

The longer spreads give the reader more opportunity to look at the model's gorgeous bodies – which they almost always are in *MensWorld* – which has to be a fantastic thing. Cheers and keep up the good work!

Mike, Solihull

Cheers Mike, we're glad you think it's a good idea. If any other readers have an opinion on us running longer sets then please let us know – we always love receiving your feedback here at MensWorld!

Out in the garden wearing a very sexy little pair of denim hotpants we join Jenna, a blonde hottie getting her pussy out amongst the rhododendrons and other such foliage. But why the moody pout? Was she being bothered by a bumble bee? Or did she stub her toe on the crazy paving? We just had to phone her and find out.

“No, it was real nice to shoot outdoors for a change, studios can get so hot and stuffy sometimes,” Jenna told us in her cute American twang, direct from Los Angeles on the blower. “For some reason I always pout like that when I’m feeling horny, and I was definitely horny that day.”

Any particular reason?

“I think it was a combination of the beautiful sunshine and the fact that I knew I looked pretty good in those tiny shorts,” she continued with a little laugh. “I caught the camera crew staring at my ass about a zillion times, and the thought of them all wanting to fuck me made me very wet. When I was spreading my lips for the photographer it was all I could do not to tease my clit and slide a couple of fingers into my pussy.”

We’re guessing you saved that for later…

“Ah, now that would be telling!”

UNIVERSITITTIES!

Nicola is my University roommate's 19-year-old sister, all blonde hair, soft brown eyes and playful smile. But the sweet exterior hides one dirty girl – and doesn't hide her for long!

I first realised this when he let her stay in his room while he was on holiday, so it was just the two of us in the place. She walked into the kitchen wearing just an old T-shirt. As she reached for cereal in the high cupboard, it rode up and I got a flash of bum. Just in case I thought it was accidental, she made sure I was looking before she bent over, giving me an eyeful of plump pussy peeking juicily out between her arsecheeks.

This was just a cocktease, but as I walked by her room half an hour later, I heard a loud buzzing noise. I listened for a few minutes, enjoying her moans as she obviously fucked herself with a vibrator, then went back to my room to deal with my hard-on. As I wanked off, I imagined her in front of me, ploughing her cunt with her toy and smiling all over her sweet little face as I jizzed on her.

She teased me just as much the next day, so I called her bluff, acting unimpressed, seeing how far she'd push it. I got everything from flashes of tit, to finding her vibrator left on the kitchen counter. I helped myself to a sniff and lick, then moved it so she'd know I'd noticed it.

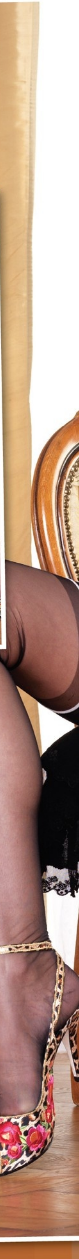
Finally, she walked into the kitchen wearing just a thong. I carried on eating my breakfast, pretending to ignore her as she peeled it off then draped it on my head, so the crotch was over my nose. I breathed in deep, and as she went to walk off I reached out and grabbed her.

I got her standing there, three fingers pumping in her fanny, while I calmly sipped my coffee. Then I told her to go fuck herself with her toy and went to my own room. It took a half-hour of frenzied frigging before she cracked, but I was hard and ready when she burst in on me.

I waved my dick at her and she straddled my body, jamming her dildo in her cunt, which drooled its cream onto my skin. She looked so much like my wank-off fantasy. Then she pulled out her toy and sucked on it, as I spanked her clit with my cockhead. Then – at last! – I stuck my prick in her cunt. She rode me, playing the toy all over her tits and then on her clit – I could feel the muffled buzzing of it in my dick and balls. She was going all out, arse slapping against my thighs, tits smacking together till I grabbed a handful and pulled her forward so I could suck on them.

She spread even wider, taking me deeper, every suck on her nipples snapping her twat tight. Then she was cumming, her pussy muscles draining my balls as they squeezed my shaft.

We only had a day or so before her brother got back, so we made the most of it, just one big blur of fucking. It's hard to pick a standout moment – maybe the time I fucked her in front of a full-length mirror. We were facing it, her in just her sexy heels. I drilled her deep, splaying those cheeks and feeling



my balls swing against her crotch, my hands cupping her plump tits. She kept on catching my eye in the mirror, telling me to fuck her cunt then pull out and fuck her face.

She came hard, fingers diddling away at her clit, thighs parted and crotch tilted so we could see my cock thrust in and out. Then she got on her knees in front of me, side-on to the mirror, and sucked me to an intense cum. As I started to shoot, she balanced the tip of my dick on her tongue. Then she aimed the rest of it on her tits, before licking them and my cock clean.

She acted like butter wouldn't melt in her mouth when her brother got home. Maybe it wouldn't – my dick certainly stays solid in there!

SHAVE TO THE RHYTHM!

I've always been a little shy and self-conscious, thinking that guys only liked girls with serious curves and big boobs. Then I met Jake who said I had the nicest tits he'd seen in his life.

He wasn't just being nice – I'd see him gaze at my tits when we were out, then move around in his seat to ease the strain on his dick! One time in a restaurant, we sneaked out back. The poor boy was so horny he couldn't wait for me to get out of my jeans. "Just show me those tits," he groaned. Then, the instant I got his cock out of his jeans, he was dousing them in spunk.

I mopped it up, rubbing it in, and we went home for an early night. He fucked me long and slow, hands and mouth all over my boobs as he made me cum, then he came himself, deep in my twat this time. That's nice, but I

TIFFANY

PHOTOGRAPHY: SAGE STYLE

American pornstar Tiffany is evidently so famous and popular now that she apparently has her own armchair-like throne, which she insists on using in every shoot she does. Wanting to find out if the slender brunette stunner really has taken to making celebrity demands, we dropped Tiffany an email to compliment her on the images and ask what the deal was with the personal seating situation.

"It's not like I think I'm some kind of princess or something – please don't think I'm a prima donna!!!" she wrote, following the sentence up with not one but two of those little smiley faces and a 'lol'. "I just don't trust photographers to organise quality furniture for my shoots. Well, at least not since one guy made me pose on a hammock and I fell off it about seven times! These days I insist on an armchair – nice and sturdy and perfect for spreading myself on."

It's difficult to argue with her reasoning.

DOMINNO
& SHARON

PHOTOGRAPHY:DDF

Two sexy birds with big boobs having breasty fun in the bedroom – why can life not be full of brilliant things like this instead of wars, cuts and *Don't Scare The Hare*? We put the question to Dominno and Sharon to see what they thought of it all.

"I'd much rather enjoy myself with Sharon's twin bazookas than get involved with anything stupid and horrible like a war," Dominno told us, obviously incredulous at the absurdity of human conflict.

"And while I don't think massive tits can do much about the ongoing austerity measures, at least they can cheer people up for a while and maybe help them forget that times are pretty tough in Britain at the moment."

Perhaps they could offer a fondle of your baps on the NHS to boost morale?

"Or a titfuck," Sharon added with a smile, "although I think the waiting list might get a bit out of hand for that one!"

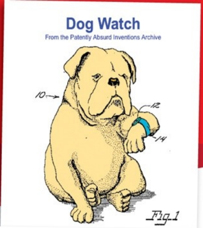
NOT SAFE FOR WORK

THE INTERNET IS USEFUL FOR A GREAT MANY THINGS, LIKE CHECKING THE LATEST NEWS, BUYING CRAP YOU REALLY DON'T NEED AND KEEPING UP TO DATE WITH YOUR VIRTUAL 'FRIENDS'. PERSONALLY, WE LIKE USING IT TO PLAY GAMES, LOOK AT PORN AND WASTE TIME WHEN WE SHOULD BE WORKING. HERE ARE SOME OF THE BEST SITES WE'VE FOUND…



TOTALLYABSURD.COM

Now we're used to seeing some pretty silly inventions on *Dragon's Den*, but if they want to see some really outlandish creations to say 'I'm out!' to, then Duncan Bannatyne and co should log-on to this very funny website devoted to a raft of bizarre innovations. Featuring genuine, US patented inventions and displaying in all their glory the actual diagrams submitted with the patent application, *totallyabsurd.com* is a celebration of the weird and wacky imaginations of a nation.

Weird and wacky imaginations who thought that a dog might need a bumper or a watch, a horse could use a nappy, a human car wash might be the thing we've all been waiting for, or that a beer keg you can wear on your head is an everyday essential that no-one should be without. Okay, so whoever proposed the beer keg might actually have had a point, but the rest of them are pretty 'out there'.

AKINATOR.COM

The web is jam-packed with funny sites where you can merrily waste your precious life, but this cheeky little offering has to be one of the cleverest and most worthwhile of your time out there. Simply think of a celebrity or character, and then answer a series of twenty questions – using either 'yes', 'probably', 'don't know', 'not really' or 'no' – that the all-knowing Akinator genie will pitch at you in a bid to try and find out what's on your mind. If you don't go too obscure with your choice of individual and reply honestly to the prompts, then the chances are that the Akinator will guess right, as Team MensWorld found with our selections of Leonard 'Dr Spock' Nimoy and Western star Lee Van Cleef. However, we did manage to stump the genie genius with Coventry, Bristol City and Nottingham Forest striker Dele Adebola.

WANDERFLY.COM

So you've saved some annual leave, cobbled together some money, and now it's time to book the holiday! Of course, you might know exactly where you want to go and how you want to go about doing it – that's fine, do your own thing and stop reading now. However, if you do require some help then why not head over to *wanderfly.com*, a handy little resource that takes into account where you want to travel from, when, how much you want it to cost and how long you want the holiday to be, before throwing some inspiration right back at you. Refine the search by specifying what kinds of things you're interested in from categories such as 'Romance' and 'Outdoors' and the site will instantly suggest a fascinating slightly off-the-beaten-track destination complete with details on how to book the trip within your budget. Bon voyage!

BADBIDS.COM

On the face of it, ebay is a brilliant thing, a place where individuals can bid for other people's odds and sods with the goods going to the person who offers the most dosh. However, add factors such as user-stupidity, over-excitement, potential rip-offs, silly sellers and alcohol into the mix, and suddenly the popular auction website can become a minefield where one can end up paying through the nose for items best described as daft or useless. *Badbids.com* gathers together screen-grabs of these, and displays them so we can all have a good laugh at the crazy ebay antics of others. Who would pay almost $9,000 for a Dorito in the shape of the Pope's hat? Hopefully no-one, but potentially someone, although the bloke asking a quarter-of-a-million for a roll of toilet paper surely hasn't got a chance, even if it is 'Unused'.

THATSMYBOSS.COM

You spend a heck of a lot of your time at work – 106 hours a week in our case – so if you have a rubbish 'superior' then it's no laughing matter. Naturally, here at *MensWorld* we're all as happy as Larry, but you don't have to look too far to find someone who has a beef with their boss. If you're one of those people then this is the place to both vent your spleen and find solace in the rants of disgruntled individuals who have much the same issue. And if you're not pissed with your job lot, then you can simply log-on here and laugh at the misfortune of others. From the boss with bad breath who does a smelly poo every lunchtime and stinks out the office to the unlucky chap who got sacked for not attending the works golf day, all manner of management moans and groans can be found here.

Foxy Boxing

MENSWORLD BRINGS TOGETHER TWO RIVALS FROM THE WORLD OF SHOWBIZ AND LETS THEM SLUG IT OUT OVER FIVE GRUELLING ROUNDS...

This Month: The Middleton Sisters – Kate and Pippa

Pedigree

Kate

Essentially a pleb and a commoner like us, Kate apparently caught the eye of Prince William at the University of St. Andrews, where he was studying Geography and she was working in the student canteen. Rumour has it that their eyes met over a large tray of lasagna that the future monarch was considering for his lunch. Famously, he went for the shepherd's pie instead, definitely not remarking: 'But one would rather have a portion of the serving wench'.

Pippa

Referred to by us as being 'probably the dirtier' of the two Middleton sisters, and by fictional 'royal insiders' as the sibling with which 'one would be more likely to get one's brown wings', Pippa in fact works as a party organiser, although unfortunately not those rude ones where women go to each others house to drink Lambrini and cackle while they rummage through a holdall full of dildoes and vibrators, and model peephole bras. Little Sis' Middleton can apparently also toboggan and shoot a gun accurately, although probably not at the same time.

Round 1: Commoner Kate might be a mean cook and potential Queen, but Pippa's an all-action party girl who could make the night go with a bang. Round one to the younger Middleton.

Fashion Sense

Kate

It was a rags to riches tale that came to a stunning climax at Westminster Abbey, with Kate saying 'I Will' to Prince William whilst wearing a beautiful wedding dress that allegedly cost £249 from George@Asda. Throughout her courtship with the budding thronesitter, Kate has become quite the style icon, with quality publications such as *Hello!* and *Closer* regularly running riveting features on her outfits and preferred brand choices.

Pippa

Some onlookers suggested that Pippa had done the unthinkable and upstaged Big Sis' on her big day, wearing a figure-hugging dress about which Prince Charles was said to have not said, 'Showed off ma'am's fine ass'. However, here at Foxy Boxing we don't believe that a Royal Wedding should be about ogling the Maid of Honour's bum, and Pippa is marked down for her crass misjudgment.

Round 2: Where people admire Kate for her elegance and style, the tabloids salivate over Pippa's bottom and most likely wouldn't notice if she was wearing Primark or Prada. Kate takes the second.

Sex Appeal

Kate

Leggy, slim and very pretty, Kate is the kind of girl you might describe as being 'a bit of posh' before drifting off into a reverie involving her saying words like 'decolletage', 'breasts' and 'semen' before finding rather embarrassingly that you've soiled your trousers – in Halfords. Again. Where fantasy meets reality, however, is as yet unclear, and unless Prince William reveals in detail what it's like to nob Kate then it's unlikely that we'll ever know.

Pippa

With many men understandably having an issue with bashing one out over the future Queen of Blighty, it's no surprise that they're turning to her filthier looking sibling, especially since handy images of her in her bra were displayed on the Internet. With these snaps in mind, some have wondered as to why William didn't take Pippa up the aisle. Well, at least before he married Kate, anyway.

Round 3: It's a tough call, but with made-up statistics suggesting that the recent Royal Wedding was the most masturbated over in history thanks to Pippa's peachy rear, she sneaks the round.

Personality

Kate

Bubbly, smiley and down-to-earth, that's the public persona of Middleton Snr, but what is Kate like behind closed doors? What we do know thanks to the tabloid newspapers is that she and Prince William enjoyed pizza and wine evenings together in their halls of residence at university, and that she once cheekily gave the Prince a 'Dutch Oven' after a particularly spicy 'Jalapeno Meat Treat'. And for the record, we did make the last bit up.

Pippa

Whether she's dancing around in a bra or showing her arse off at a wedding, the theme with Pippa is obviously 'sexy sexy fun'. A self-styled party princess who has captivated the media and captured the hearts and minds of the general populace with her rounded bumcheeks, the implication is that Pippa would be a great girl to have around, particularly if she got drunk and began doling out sexual favours at the Queen's Garden Party. Which she wouldn't, of course.

Round 4: It's laughs all round with the Middleton sisters, but while Kate's guffing under the bedclothes, Pippa might just be offering to suck you off for fun and duly takes the fourth.

Future Prospects

Kate

The fairytale continues for Kate, as a life of official visits, intense and often offensive media scrutiny, waving at crowds, and dodging Corgi turds plays out in front of her like one long romantic fantasy. In a bid to 'keep it real' Kate was recently spotted doing her weekly shop in a well-known supermarket, although no doubt these days she's able to exercise royal privilege and buy everything from the 'Finest' and 'Extra Special' ranges.

Pippa

She's the current 'bees knees', with stories about her love life and pictures of her half-naked splashed all over the tabloids on almost a daily basis. However, we all know how quickly the bubble can burst, and after people start wanting to know about the next bird with a nice arse and flirtatious tendencies, the chances are that Pippa will be plunged into obscurity. Will Prince Harry do the decent thing and throw one up her before it's too late?.

Round 5: Although Kate's future is a poisoned chalice, her prospects are more secure than Pippa's, who could find herself on right royal scrapheap if Harry doesn't step in. Kate's round.

Result

Sibling rivalry came out in force for this month's Foxy Boxing bout, and in a close-run contest it all came down to which sister we thought might have the looser morals. With a bum that has an estimated 200,000 followers on Facebook, pictures of her in her bra splashed all over the internet, and having worn a dress at Kate's wedding that might best be described as 'pornographic', Pippa gets the nod, although if Kate offers to do a shoot for us we'll happily reverse the decision.

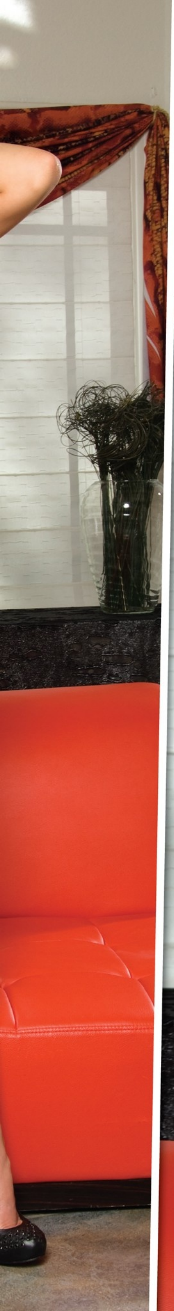
SIMI

PHOTOGRAPHY: HICKS

All dolled up to the nines, Simi looks like she's just returned home after a night on the tiles. Whether it was a few quiet glasses of wine with friends at a fancy bar or a big shindig down at the local discotheque, one thing's for sure – she'd have been beating blokes off with a shitty stick all evening.

Naturally, this is all pure imagination, a fiction! Simi hasn't been out at all. As we full well know, this is a *MensWorld* photoshoot, with the busty brunette paid a fee to take her clothes off at a location hired specifically for the occasion – but with Simi it's difficult not to fantasise.

Picture her sat in some swanky wine bar, sipping a glass of rioja, plunging neckline and plenty of cleavage on display. You pluck up the courage to go over and manage to make polite conversation about current affairs and the like without staring at her boobs, and after a couple more large wines she agrees to go back to your place. And then… Well, the rest is up to you, but if it was us then the first thing we'd ask for would be a big fat titwank.



BRITNEY

PHOTOGRAPHY: EARL MILLER

As you can see from the pictures, Britney Beth here is a very flexible girl, throwing her legs up into the air and even over her shoulder on the final spread. During the post-shoot debriefing, we asked the chesty blonde strumpet if she'd ever trained as a gymnast.

"Oh no, nothing like that," Brit replied with a flirtatious smile that lit up her pretty face. "I do yoga every now and again and sometimes go jogging in the park, but the only gymnastics I enjoy are in the bedroom."

Pray, tell us more…

"Well, conventional positions such as missionary and doggy don't really do it for me," Britney Beth continued with a saucy glint in her eye. "But luckily I'm naturally flexible, and my favourite is when I put my legs up beside my head so the guy has full access to my pussy. Then I'll get him to fuck me really hard until I'm shouting the house down! My boyfriends always have to be very fit and energetic."

Shame. Up until that point we thought we might actually be in with a chance.

SANDRA

PHOTOGRAPHY: VLT

SANDRA

Well, I'm guessing your readers will have seen plenty of shoots with me in over the years, so they've probably got a good idea that there's not much for me to confess to – I've done pretty much everything a girl can do in front of a camera. I even did boy/girl a couple of times, though those shoots are thankfully hard to find (I prefer to keep that to my private life – the men I date get very jealous if they see footage of me fucking another guy).

Anyway, there was a time recently, though, that something happened on a shoot that I wasn't expecting in the slightest and I wanted to tell you about it here.

I had been flown to the US to shoot a calendar by a young, upcoming photographer by the name of Kate. I hadn't met her before but we got the same flight (she's British and was scouting for girls where I live on the continent) and so we bonded over white wine and peanuts as we flew over the Atlantic. Kate was funny, intelligent and sexy, but I date guys in my personal life so it didn't cross my mind that I'd want to sleep with her.

Once we started doing the shoots, we settled into a very relaxed working method. It was glamour stuff, not adult, so I rarely had to do anything ruder than topless, and Kate was getting some fantastic shots, really dramatic stuff of me against sunsets, stunning views, that kind of thing.

Then, one afternoon, after her crew had packed up and left just the two of us on a set that we shot an outdoor shower scene on, I asked Kate if she'd ever shot porn. She said she hadn't, that it wasn't her thing, but I joked that she should as it'd look so great. As it was just the two of us there and the set was still standing, she said, "let's give it a go, then. Get your clothes off!"

I went into full porn mode, totally disrobing for Kate and getting myself into classic porn poses for her while she snapped away. I told her not to be shy, to come in for close-ups as I was holding my pussy lips open and squeezing my boobs together, so she really leaned in and got the rudest shots she could. It felt extra-naughty, knowing that Kate hadn't done this kind of thing before, and I was surprised at how wet I was when I slipped a finger inside myself for her.

I WAS SURPRISED AT HOW WET I WAS WHEN I SLIPPED A FINGER INSIDE MYSELF

"God, this is really turning me on," said Kate as I started masturbating for real in front of her lens. I didn't need any more encouragement than that – I took the camera out of her hand and placed her fingers at my wet hole and told her to put them inside me. Which she did, just as she leaned in for a long, slow kiss.

My hands wandered to her hips and I pulled up her cotton skirt and cupped her pert arse cheeks while she snogged and fingered me. I managed to pull her knickers down and get my fingers into her pussy from behind, pleased to find it as wet as mine, and I inserted a finger while she started rubbing faster, bringing me to the verge of orgasm within a few moments. I grabbed her and kissed her hard as I came, oozing juice over my photographer's hand.

As soon as I had my breath back, I pushed Kate back from me and started to undress her with determination. She had a beautiful, gym-toned figure – lithe, but with big, firm boobs and a neatly-shaved pussy, and I kissed her all over as I pulled off her clothes. She was moaning and writhing as I did so, both of us so turned on.

I placed my face between her legs and stroked her clit with my tongue. As I did so, I'd look up to her and we would stare into each other's eyes before I'd get back to licking. I loved the salty taste of her pussy, and it reminded me that I really should date women as well as men in my private life, there's a world of different to the sex, and it's really amazing.

Before long, I could sense that she was about to come. I pressed my thumb hard against her clit and pushed a couple of fingers in between her lips until I found her hole. As I pushed them in, Kate's body pushed so hard against me, so desperate she was to orgasm at my touch. Fingers and thumb in place, I moved my body up Kate's body and planted a passionate, wet kiss on her mouth and she came instantly. It was noisy and violent, and as soon as she calmed down she helped pull my fingers from her and we both shared the taste of her juice. She was greedily licking it from my fingertips, so I would put my hand back between her legs and get it wet again before bringing it back up

I PRESSED MY THUMB HARD AGAINST HER CLIT AND THEN FOUND HER HOLE for us both to share.

It was at this point that Kate told me she'd never been with a girl before! Well, that got me super-horny again in a matter of seconds. Taking a girl's lesbian-virginity is a real treat, cos you're giving them something so new and sensual – it was no wonder she came so quickly (but then, so did I).

So now she had a taste for cunt (even if it was her own) it was time for Kate to go to town on mine. I lay back and ordered her to eat me out, and told her to take her time doing it too. And Kate was a natural. Every little movement she made, every tiny touch of her tongue made my pussy tingle. I totally had the feeling that she wasn't only doing it to bring me pleasure, but that every lick and suck, every time she put her fingers inside me and licked them when she brought them back out was a journey of discovery for her, a sudden realisation that the taste and feel of a woman's cunt was the sexiest thing in the world.

She clamped her lips against my pussy lips and started licking hard and fast, running her hands up my body to grab and squeeze my tits. I started a motion with my hips, gently pressing myself into Kate's face as she worked me. Once again, our eyes made contact while she pleasured me, and that added the extra level of frisson that I needed to start bringing me to the brink of coming again. She squeezed my breasts hard, feeling the stiff nipples between her fingers, as I started moaning and thrusting into her face, flooding her mouth with my juice. She moaned too, and the buzzing sensation it sent through my clit was amazing – I came for a full minute, not letting her go until I was totally unable to wring any more pleasure from the sensation. I'm surprised she could breathe!

After that, it was basically an afternoon and evening of fucking, briefly broken up by us going out for a meal and learning more about each other. She'd broken her lesbian cherry, I'd remembered that screwing girls was as much fun as doing it with guys. The rest of the trip was, as you can imagine, based around the pair of us finding moments to fuck each other. I miss Kate – we live in different countries – but we keep in touch online. And whenever we're in the same town (once or twice a year) then we're guaranteed to pick up where we left off…

I WAS PRESSING MYSELF INTO KATE'S FACE AS SHE WORKED ME

THE WEIRD WORLD OF PORN

PART 1.

UNSUNG SLUTS!

NOT EVERYONE HAS THE FORTUNE TO BE QUEEN OF THE PORN HILL, EARNING THE BIG CONTRACTS, MAKING THE GUEST APPEARANCES AND HAVING THE HIGHEST-SELLING SEX TOYS MOLDED ON HER WADGE. BUT, TRUTH BE TOLD, WE RESERVE OUR BIGGEST, DIRTIEST WANKS FOR THE LESS-CELEBRATED GIRLS – THE FOOTSOLDIERS WHO RARELY GRACE THE BOXCOVERS BUT ALWAYS DELIVER THE FILTH WHEN YOU WANT IT. OVER THE NEXT TWO ISSUES, WE SALUTE THE UNSUNG GIRLS OF PORN...

Harmony Rose

Who she? A 25-year-old Florida fucker with some 400 films under her belt, we doff our cap to this 34B babe.

Why shouldn't she stay unsung? We must have seen Harmony in over 100 films before she really started to strike home. Then it hit us – this is one serious shag. Lesbian scenes, anal, DP, deepthroat, even doing blokes in eye-watering fashion with a strap-on – she does it all. She's like a hotter Jasmine Lynn, but in it for the long haul. Those eyes mean she works the camera brilliantly, a real ball-emptier in POV and handjob scenes. Yes, this girl and our dicks are in perfect harmony.

Where is this hidden gem? Tossing salad (without vinaigrette, strangely) in Evolution Erotica's *Ass Eaters Unanimous 3* and pushing herself to the limit with two blokes in Anabolic's *Cream Plosions*.

Velicity Von

Von who now? She came late to the jizz biz, but since starting at age 26, this 34DD-25-35 sweetie from the Motor City, Detroit has wowed our widges with over 150 scenes.
Why shouldn't she stay unsung? We like the fact that she's hot. We like that she's got great tits, ideal for her many tit-fucking scenes. And we really like that she does anal. Mostly we like just how fucking amazing she looks when getting fucked, her face taking on a carnal look. And let's face it, it's not all that often we're looking at a girl's face while she's getting reamed.
Where is this hidden gem? Having her bum breached in Jules Jordan's *Pump my Ass Full of Cum* and sucking a whole gang of black cocks in Candy Shop's *Alone in the Dark 2*.

Sophie Dee

Sophie who-did-you say? Dee, a blue-eyed export from these beautiful isles who's become a stroking stalwart in the States with her 34D tits and 300-plus movies.
Why shouldn't she stay unsung? Could it be the adorable and oh-so-British gap in her teeth? Or could it be the adorable gap in her yap where she seems to cram cocks with indecent hunger? Whether blonde or, more recently, brunette, Sophie makes a virtue out of being chunkier than your average porn drainpipe. She's all woman and likes men who are all cock. She's unfeasibly enthusiastic on screen, which doesn't hurt.
Where is this hidden gem? Getting poled in Evasive Angles' *Big Bubble Butt Anal Sluts* and going interracial in Red Light District's *Black Dicks in White Chicks 14*.

Alexis Silver

Alexis Whaaaaa? A 28-year-old big-boobed buxom bang babe from Boogie Down Leeds, working heavily in the States as well as keeping the home hard-ons raging.
Why shouldn't she stay unsung? As popular as Brits are over in the States, top-heavy girls from Leeds don't usually make the radar. Well, Alexis has. Maybe it's her 32GG tits. Maybe it's… no, we were right first time. It's the tits. We've seen her make tit-fucking into an artform, and she's recently turned her hand to anal too. Yup, she's a triple threat.
Where is this hidden gem? Doing the bloody lot in Jules Jordan's *POV Pervert 8*, and wrapping her top twats around a tool in Juicy Entertainment's *Thanks for the Mammaries 2*.

SPIN CLITTY!

Either porn companies are short of ideas, or Stoney Curtis is a genius. Emma Edwards joins him on the set of his latest hole-in-the-spinning-table niche movie – yes, you read that right – to decide which...

Spin On My Cock 3
Starring: Lexi Belle, Alyssa Moore, Jynx Maze, Lexi Bloom, Sindee Jennings, Chris Strokes, Billy Glide, Lee Stone, Bruce Venture.
Directed By: Stoney Curtis.
Available From: Lethal Hardcore.

Just when you've thought you've seen it all in pornography, a true visionary comes along and completely redefines the ways in which people can enjoy hardcore sex with one another. In the adult industry, that pioneer is none other than Stoney Curtis, a 17-year veteran, and the founder and director of Lethal Hardcore, a heavily awarded porn outfit that has been around for several years.

After desperately wanting to capture new positions in his movies, and offer his fans another way in which they could enjoy his productions, Curtis had an erotic revelation that came to him through meditation. The result is this incredible new invention, now dubbed the Stoney Spinning Table. This new sexual apparatus has a patent-pending with the U.S. Patent and Trademark office and loosely resembles that of a Lazy Susan, which, for those of you that aren't familiar, is a rotating disk found on dining room tables. Only this device is fashioned with a hole cut out of its centre by which a man lays underneath, sticks his cock through the hole, and fucks the squatting girl with complete 360-degree rotation capabilities.

Today, we've been cordially granted a ringside seat by the master of ceremonies himself to witness the raunchy rotations firsthand in *Spin On My Cock 3*, Curtis' latest frothbuster that promises to be a real doozy!

Lexi Bloom gets a Brucie bonus!

Arriving on set, I'm welcomed with a warm tit-to-tit hug from boxcover babe, Lexi Belle! Rushing back into position, Lexi lifts up her French maid outfit and expertly poses for famed photographer Scott St. James, the man in charge of capturing the sexy cover image for the production. Also on the sidelines sits Lexi's cock-du-jour, Chris Strokes. "Come on Stoney, let me at her," Chris whines, stroking up his cock to the site of her curvy butt blossoming as she twists and turns to greet the camera with a butthole wink.

Once the photo shoot commences, Chris positions himself underneath the sex table, pops his cock through the hole, and chants, "Lexi, where are you?" Being a bit of a pleasure delayer, Lexi squats above the table and gives the mounted camera an unobstructed view of her puffy plum before relinquishing her gash to Chris. Finally, with a slit in full drip, Lexi lowers her body down and begins to play sit n' spin. Literally feeling Chris' sword from all angles, Lexi begins to bubble and pop in the middle as her pussy begins percolating from between her juicy thighs.

Only being able to use the table in cowgirl

Alyssa Moore lets Billy Glide into her goo-pot!

and reverse cowgirl position, the action quickly leads to a nearby sofa. “Look what you’ve done,” Chris barks, showing Lexi his rock solid stick. With a smiling face, she lodges his log down her neck and spirals her candy-coloured tongue across the head. From here, Lexi gives up three more positions that are incredible. She also has her toes thoroughly sucked before lapping up his liquid load with her lips!

Between girls and during the cleanup of the table, Curtis adds that he’s included another interesting feature to his production – a mounted camera! Fixed to the table, Curtis has fashioned a camera that allows for an in-yer-face shot of the girl’s pussy in a stationary position while everything else around the room moves. Alyssa Moore, the next ‘spinner’ up to bat catches wind of this new optical trick and is quick to take her position on the twisting table.

Rushing into the room, butt naked, Billy Glide slides under the table and urges Curtis to turn the camera on. Sucking his cock from above the device, Alyssa takes it upon herself to get into hardcore formation before action is even called to her scene! “I like this girl,” Curtis says under his breath, as the dynamic duo transition into cowgirl position and the rotating ride begins.

A naturally horny girl at heart, the mere thought of fucking on the spinning table already had Alyssa creaming up with clam dip delights as she walked onto the set this morning. By now, she’s a firestorm of vaginal froth and is still begging for more whirling action. Once Billy’s big boner wedges an even deeper hole up her pussy, Alyssa starts bucking like a bronco bull, spreading her schmear between their connected crotches like cream cheese. In time, it’s as though someone has placed a fresh set of batteries inside of this curvy cutie as she’s graduated to fucking at full speed ahead!

> “SHE’S A FIRESTORM OF VAGINAL FROTH AND IS BEGGING FOR MORE”

After a short break, the cast and crew are back in action. This time it’s Latina stunner, Jynx Maze donning the slutty maid’s outfit. Ready to rock n’ roll with the big boys, Jynx is ready to go, playfully lifting up her skirt to show off her tightly compacted cunt.

As she sheepishly walks around the table to better acclimate herself with the new apparatus, she looks a bit concerned. “Is this going to hurt me?” she motions to Curtis. “No honey, it’s perfectly safe. In fact, you’re going to love it!” he affirms, patting her shoulder with one hand and calling Lee Stone over with the other.

Still unsure about the situation she faces, Lee arranges Jynx on all fours across the table. “Here baby, let me take your mind off things,” he jokes, inspecting the elasticity of her anus with his tongue to help ease her mind and calm her shaky nerves. Soon, any bit of worry she previously had seems to fade and is replaced with devilish moans that seem odd streaming from such an angelic looking face. “Please, pull out your cock for me,” she begs, now pliable putty in his hands.

Arranging himself underneath the spinning table, Lee pokes his pecker through the hole and is ready to take things to the next level. As his snake slithers from underneath, Jynx’s eyes bulge out of their sockets. “Fuck! Is that a magic cock?” she questions, followed by “How much more is there?” Laughing from underneath, Lee bucks up to greet her lips with his pepperoni stick. Soon, Jynx has forgotten all about her previous woes and is slathering his cobra cock with trails of her warm saliva.

“I need more...much more!” she eventually mumbles, replacing the warmth of her mouth with the tightness of her beet red pussy.

From here, Jynx is hammered and had as the table continues to spin. Yummy goose bumps fill her perfect frame as Lee playfully twists her body back and forth to get the balance right. After a few face-scrunching orgasms, the action continues on a nearby sofa and concludes with a healthy venom splash that drips from her fangs. “Stoney, you were right! It felt amazing!” Jynx cheers, stumbling off set with her newfound set of bowed legs and a notch under her belt.

Meanwhile, Sindee Jennings is in the back room getting cosy with Billy Glide. “Save it for the camera,” Curtis warns, as the two become too hot and heavy for his comfort. Completely aroused by the new sex toy, Sindee curls up in the foetal position on top of the table and begins sucking Billy's cock like a bottle. Slurping and sucking with bubbly spit oozing from the corners of her lips, Sindee proves to be perfectly at ease with a jumbo Johnson dangling from her lips.

Like a true cock connoisseur, Sindee naturally transitions into first position. Now arranged with her face down and her ass up, Billy's boner hones in like a guided missile, meeting her juice box with his rock hard pole. "Damn, your pussy is wet!" he charges, bucking his hips upward, until the sound of his pelvic bone banging up against the table becomes audible. "This is the coolest fucking thing ever!" Sindee smiles, buttering up every nook and cranny of her vaginal crevice with her warm cream. Seemingly lost in emotion, Sindee momentarily loses control and stuffs a thumb up her bum when her hardcore excitement becomes too much to bare.

> "SINDEE IS ARRANGED WITH HER FACE DOWN AND HER ASS UP"

"I love this thing. Can I take it home?" she hollers, shifting her weight onto her palms to take his cock in a new position.

After several more minutes of hardcore fun, Billy waxes this kinky maid with splashes of his homemade paste before walking off set and stopping for the day.

Before the production is wrapped, however, Lexi Bloom saunters onto set and is the last girl to go for a ride. Looking like a tempting teen playing dress up, Lexi is as delightful as a warm cinnamon roll, fresh out of the oven. With a yearbook worthy smile and a meaty labia that dangles from her outer pussy lips, Lexi is a wet dream incarnate! Once Bruce Venture gets a look at her, the game is on. He sinks his hands into her silky hair and tastes her cotton candy lips before fucking her silly on the table. She giggles and coos throughout, playfully swatting his cock with her feather duster to grant him a little French tickle session for some added fun.

Like the bitches that came before, their action quickly resumes on a nearby sofa where Lexi is treated to a vaginal bang session that leaves her face dripping and her toes curled. As their scene concludes, Stoney Curtis thanks his cast and crew for a great day and offers me a ride on the magic carpet. Nervously declining in an attempt to maintain my professionalism, I pack up my things and change my dampened panties in a nearby bathroom.

With action so hot and revolutionary, one can only hope that *Spin On My Cock* not only becomes a regular series for Lethal Hardcore but a device that will soon become available for mass consumption worldwide. With tidings so sweet and rides so raunchy, Stoney Curtis is out to prove that the spinner really does take all!

like when he cums on me, especially my sexiest parts! So, as a treat for both of us, I asked him to shave my pussy. It's always neatly trimmed, but I'd never had it all removed.

He was already hard when I lay back on the bed and splayed my thighs. Then he soaped my pubes and used a razor to shave me smooth, stretching my skin as he laid it pale and bare. He patted my cunt dry – it felt so naked and sensitive, and soft beneath my fingertips.

I reached forward, got his dick in both my hands then began to stroke it, palm over palm. He didn't go near my cunt, frustrating us both; then I felt his balls get tight and his cum shoot out. The heat as those salty drops hit my newly bald skin got me whimpering with pleasure. I reached down to touch myself but Jake brushed my hand aside. He smeared his cum all over, coating my pussy lips with sticky stuff. Then he went down on me, tongue raking my slit and stirring around in my hole. He trapped my clit between his fingers, squeezing and rubbing.

As I came, I felt him swallow, sucking down all the juices as they flowed out. Then he licked his way back up, wetting my nipples. Just as I thought I couldn't cum any more, his dick, semi-hard again, brushed over my clit as we kissed, sending another bolt of pleasure through me.

I started rubbing up against him to get him hard, catching hold of his dick and working it against my puffy slit. With no pubes to soak them up my juices were streaming out, my entire cunt slick.

I got him inside of me, but he only fucked me for a few strokes before pulling out and flipping me on my tummy. Now he did me lying-down doggie, body stretched out over mine.

That way he could slide his hands under me to cup my boobs, or else reach down to give my clit more attention. The size and weight of him, pressing down and spreading me, had me grinding on the covers.

I started to cum, felt myself tauten around the thick length in my hole, then pulse in ecstasy as my orgasm rippled from my clit and through my pussy. He stayed in deep, then started to fuck me harder, until he was really pounding in and out. Then I felt a gush of spunk high inside of me.

He pulled out, working it all over my slit and crack, scooping it all out with his fingers to rub in. He dipped a finger in my twat down to his knuckle, which got me squealing and jerking around on the bed.

I hope you liked reading this – I've never felt so sexy so I thought I'd write you and share it! I now keep my pussy shaved and, maybe it's wishful thinking, but I'm convinced no shop-bought cream keeps my skin as smooth and soft as a generous shot of cum does. Which I why I use it all the time!

Julie, Gloucester

FRENCH LETTER

We all have our favourite type of female. Personally I go for long-legged, buxom blondes, and they must be tattooed. The sight of a naked girl emblazoned with skin art gives me an instant hard-on. Such was the case with Madeleine.

Last summer, having split up with my long-term girlfriend, I'd decided to scuttle off to travel around Europe and drown my sorrows with booze and birds. Because I love the accent, I opted for a French beach resort. I was savouring a cold beer soon after I'd checked in at the hotel when I spotted

a tattooed hottie a couple of tables over. Raising my glass in her direction, I said, “Quel beau jour,” which means, “What a beautiful day.”

To my horror, she replied, “You wha’, mate?” I’d struck out – she was English too, so I made a swift exit to another bar.

Which is where I had better luck. I was only two gulps into my second beer of the afternoon when a female voice said, “Bonjour, m’sieu!” She was standing behind me, but from the sound of her voice I could tell she was a sex kitten supreme. “Bonjour,” I replied. “Parlez-vous Anglais?”(“Do you speak English?”) Moving around so I could see her in all her sexy, tattooed glory, the girl said, “Mais certainement!”

“Hi,” I replied. “I’m Barry.”

Smiling, she said, “My name is Madeleine.” Catching the barman’s eye, I gestured that we required more drinks. Madeleine spoke excellent English, and in no time flat we were pouring our broken hearts out to each other. We had so much in common. Not only had both of us recently been ditched by our partners, but we also had the hots for one another. So I made my move. “Shall we get to know each other better?” I asked.

“If you mean shall we fuck,” Madeleine replied, “Then the real question is why aren’t we already?” This one was a peach. “Listen, my hotel’s close by,” I said, and I didn’t need to finish the sentence.

Back in my room we were both naked in a flash. Madeleine took the lead by pushing me onto the bed and wrapping her mouth around my throbbing cock. Holding it hard around the base, she lowered her head until the entire length of my knob vanished. It was my first experience of being deep-throated, and I was fucking loving it! Then Madeleine started bobbing up and down my shaft, sucking her cheeks in hard as she did so.

Her technique was so incredible that before long I felt that familiar tingle in my balls signalling an imminent orgasm. Madeleine sensed it too, and stopped blowing me just before the point of no return. Having taken charge, Madeleine ordered me to prop myself up against the pillows, then said, “It’s showtime!”

I made myself comfortable and started mindlessly playing with my cock. “No,” Madeleine said. “Leave that alone and watch. What I’m going to do will keep you hard, I assure you.” Then she promptly did this strange bendy thing with her legs, which were suddenly somehow crossed around the back of her head. And when Madeleine tugged her pussy lips wide open, I could see the inside of them was pinker than pink, and sticky with her sexcretions. “You like, oui?” she asked in her luscious French way.

“Fuck, yes!” I replied.

“Would you like to kiss me there?” I didn’t answer. I simply leapt across the bed and started kissing and licking at her lovely cunt. I’d only been doing it a short while when Madeleine said, “Enough – now we fuck!”

She unwound herself, then spread her legs as wide as possible. Diving between them, I thrust my dick balls-deep inside her well-juiced cunt. We fucked like this for a while before Madeleine let go of her ankles, and wrapped her legs around my back to pull me in her to the max. Then she relaxed her grip, saying, “I want it hard and fast, baby! Fucking hard and fucking fast!”.

Ever eager to please a lady, I started pummelling Madeleine’s pussy with my prick, harder and faster than I’d ever fucked before. It wasn’t too long before she screamed, “Oh mon Dieu!” in a powerful orgasm. Seconds later, as Madeleine quivered on my cock, I jettisoned a load of cum custard in her cunt. Tats and a hungry twat? I didn’t get much further than France on that particular trip…

Hobo With A Shotgun

Momentum

Here at *MensWorld* we find the thought of an armed tramp pretty terrifying, particularly if he's addled on power cider and demanding 40p for 'a cup of coffee'. However, in *Hobo With A Shotgun* we're not talking about your typical tramp. This is a tramp played by Rutger Hauer, and the only reason he's turned shotgun-wielding vigilante is because he's realised the town he's just landed in with a view to setting up his own lawnmowing service there (?) has really gone to the dogs.

So he buys a mean-looking rifle and, aided by local tart with a heart Abby (played by the gorgeous Molly Dunsworth), sets out to rid the streets of the local baddies and hoodlums. A faithful tribute to the shamelessly retro and famously gory 'Grindhouse' movie genre, *Hobo*... is a very violent yet highly entertaining revenge romp, and if you can stomach the blood and guts as Hauer wades through the villains with his trusty shooter and the evil gang chop people's heads off and the like, then with its all-action style and witty script you should find plenty to enjoy here.

HOBO WITH A SHOTGUN

Dinoshark

Anchor Bay, £9.99

From the producers of the hybrid monster 'classic' *Sharktopus* comes *Dinoshark*, an equally silly B-Movie romp that pitches humanity up against another terrifying and largely unbelievable underwater foe. However, where the Sharktopus was an outrageous creation of a mad scientist, Dinoshark is used to serve as a cautionary example of the potential effects of global warming, emerging as he/she does from a 150 million year deep freeze after its polar ice-cap 'tomb' thaws out.

As the ancient freak of nature starts munching on bathers, eating surfers and even attacking helicopters, it comes down to a fishing boat captain and a sexy science teacher to find a way of destroying this greedy and rather troublesome beast.

Of course, *Dinoshark* is a rubbish film, but it's rubbish in a rather entertaining way, and as our heroic duo close in on the monster with some explosives they've borrowed from the army – as you do – and the Dinoshark sets his sights on the local all-female water polo team, you'll no doubt want to stick around to see exactly how the mayhem is going to end. Maybe.

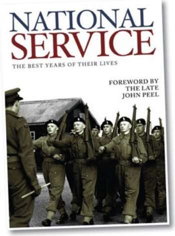
National Service: The Best Years of Their Lives

Carltonbooks.co.uk, £9.99

As the debate rages in the pubs and working men's clubs of Great Britain as to if we should bring back National Service to whip our lazy bleedin' Xbox addicted youth into shape we bring you this fascinating book, which documents the effect that compulsory conscription had on some of the two million or so individuals who were called up. In an attempt to replenish the dramatically depleted services after the devastation of WWII, healthy males aged 17-21 were expected to serve in the Armed Forces for 18 months. Many hadn't even left home before, yet were sent to far-flung reaches of the British Empire, with some personnel even used in combat in conflicts such as the Korean War and the Mau Mau Uprising in Kenya. A bit like *Call of Duty* then, but in real life and getting shot at by real bullets.

Using first-hand accounts and official documents, war historian Trevor Royle presents an engaging and hugely informative account of the National Service years.



Eyeborgs

Momentum, £15.99

With surveillance cameras dotted all over the nation's high streets these days, it's no surprise that people are starting to wonder exactly why we're being watched to such an extent. This blanket surveillance could evolve to create a terrifying Orwellian future where seeking privacy is a crime and calling the Prime Minister an arsehole might result in a slow and painful death via laser beam or android torture! In *Eyeborgs*, things are very much going that way as the result of another major terrorist attack on the US. The cameras are in the form of nosy robots who record everything they see and hear in a bid to prevent anything like it happening again. It's a frightening 'Big Brother' style situation, but the problems really start when someone hacks into the system and programs the Eyeborgs, many of whom for some reason are equipped with some pretty nasty weapons, to turn on the populace that they're supposed to be protecting.

Don't expect Oscar-winning performances but if you're up for a bunch of high-octane robo-based thrills, this is one to watch.

MUCKY MOVIES

Cherry **Digital Playground**

2 DVD + 1 Blu-Ray COMBO PACK
DIGITAL PLAYGROUND
Cherry

It's a controversial choice, but for the movie of the month we've gone for an all-girl flick. When we mention that it stars top-notch babes such as Lux Kassidy, Riley Steele and Sinn Sage, and features plenty of really hot muff-on-muff action, we hope you'll be prepared to forgive us.

The flick opens with a sexy dream sequence, with lesbian club owner Cherry fantasising about kissing a mystery woman. She wakes to find herself wedged in-between blonde duo Riley Steele and Lux Kassidy – lucky her – but Cherry is playing it cool. Lux and Riley go and get lezzy, kissing and licking each other's rude bits in a scene that might best be described as 'sensuous'.

Next up and we're in Cherry's club, and happily for us Sinn Sage has come to audition for a job. Sinn looks very hot dancing onstage, and even hotter when we jump back in time to see how she prepared for her tryout – namely lap-dancing in her house with fellow brunette hottie Celeste Star. Sinn's scintillating moves all get a bit too much for Celeste, and she ends up shoving her tongue into her horny housemate's pussy.

On moving through the scenes and witnessing sexy newbie Ash Hollywood get a licking from big-boobed MILF Nina Mercedez, before joining Riley, Nina and Sinn for a sizzling sapphic threesome, you might just start wondering if cock is actually required in porno flicks, paving the way for lesbians to take over the world. Would that really be so bad? Not if they all look like this.

Me First
Vivid Pictures

It's Time You Learned That Girls Cum First!
ME FIRST

There's probably not much we wouldn't do for the likes of Bridgette B, Daisy Cruz, Lexi Swallow and Lia in order for them to let us knob them, although saying that the thing they're asking for in this movie – for them to be allowed to come first in the sack – could prove a problem. Teeny cutie Lia is the first up, and she's dressed up as a sexy schoolgirl in order to really put his staying power to the test. Her striptease would be enough to make most blokes lose it, but cocksman Tommy Gunn is a trained professional, and he simply slides his throbbing tool between her willing lips as Lia sets about trying to make the man of action crack. She gives a great blowjob, but it's when he's whipped his cock out of her mouth to do her doggy over a desk that things really get going. Lia comes and he jets a wad onto her pussy. Daisy Cruz has great tats and even better tits, and she isn't shy to show them off, opening her stint with a tantalising tease. Her cocksman slips his dick into her pussy, shafting Daisy harder and faster until she shifts and straddles into reverse cowgirl for the grand climax. *Me First* is a very hot flick that always put the girls on top.

ANNA LOVATO'S
SPRINT
R18

With the Olympics not too far away, British blonde ballbuster Anna Lovato is in training for the women's sprint team, but as we don't believe she's even competed at amateur level, never mind on the international stage, the chances are we won't be seeing her flying the flag for Blighty at London 2012. Things go from bad to worse for Lovato's slim chances of making the games when she picks up an injury, allegedly inflicted by training partner Paige Ashley. For the viewer, however, it's a right fucking result, as Anna's rehabilitation seems to revolve largely around having rampant lesbo sex with her doctor (the very sexy Yurizan Beltran in full uniform) and physio (the slender and exceptionally fit Jamey Janes), the latter of whom uses a sybian machine to speed our plucky athlete's recovery. How that might work is still a mystery to us, but watching one of our favourite Brit stars grinding her pussy away against the vibrating nodule certainly helped ease our stiff muscles and aching bollocks. If you want to see Anna and co. getting cocked, however, do not fear, and that's worthy of a medal all on its own.

RONNIE

PHOTOS: DDF

Here at *MensWorld*, some of our favourite celebrities are called Ronnie. There's Ronnie 'The Rocket' O'Sullivan, one of the most gifted snooker players ever to grace the game, legendary TV funnymen The Two Ronnies, although not Ronnie Corbett on his own, and Roni Size, the record producer and DJ who rose to prominence in 1997 with the release of the drum'n'bass crossover hit, *Brown Paper Bag*.

Now, we can add *MensWorld* model Ronnie to that list, a girl who, like the other Ronnies on our roster, is surely destined to take the nation by storm with her natural talents.

She's pert from every angle and has a perky bottom that is as close to perfection as it gets, but how did the petite and very pretty porner feel about being inducted onto our prestigious list?

"Erm yeah, well it's cool to be considered as being up there with those guys," Ronnie said as we broke the news after the shoot. "Now I've got to go and catch my train."

Shame, we were going to have a ceremony and everything.
